

## A REPORT ON

### WORKSHOP ON OVERHAULING OF MOTORCYCLE HELD ON 30<sup>TH</sup> APRIL 2018.

A workshop on overhauling of motor cycle was conducted on 30<sup>th</sup> April 2018, in Central Workshop of AJIET. The workshop began with a formal function with Dr. Shantharam Rai, Principal of AJIET, as the Chief Guest, presided by Dr. Rajesh Rai, HOD of Mechanical Engineering. The program began with prayer and lighting of lamp by the dignitaries. Dr. Shantharam Rai, addressed the students about conducting various activities for the overall development of the students. Dr. Rajesh Rai, addressed the students about using the various facilities for the students benefit. The workshop was conducted by Mr. Guru Prasad, Mechanic. Mr. Chandrahas Bekal & Mr. Nithin Shet co-ordinated and organised the workshop.

In the practical session, Mr. Guru Prasad opened a 4 stroke Pulsar DTSI Engine. He demonstrated the standard operating procedure (SOP) of opening the engine in a systematic manner. He also showed the various tools used for opening the engine. Once all the components are disassembled, he allowed the students to assemble the entire engine with their own hand. He showed the various parts of the engine which is present in any of the textbooks which students refer. All together the students had practical hands on experience about overhauling of the motorcycle.
