**Mr. Shrinivas Bhat** who heads the Senior HR Manager at DIYA SYSTEMS was the main resource person. We had a 40 min session with Mr. Shrinivas Bhat, who conducted a very informative session for the students. He motivated the students to select their domain and area of interest. He also guided the students to upgrade their knowledge in areas like web development, mobile application development, IoT, Big Data, Cloud Computing etc. and its importance in the current software market. A brief introduction of DIYA SYSTEMS, its services and products, their clientele was shared with the students. Mr. Shrinivas Bhat motivated the students by giving token of appreciation to students who

answered well and interacted positively. Due to security protocols the students were not allowed to view their internal working.

The session was concluded with Question - Answer session. Students asked questions to the Senior HR Manager on current trending technologies, market scenarios etc. and they cleared all the doubt and myths which were in student's mind about the technologies and IT sector. Finally Ms. Jennifer Pereira delivered vote of thanks. The visit came to an end with students taking a guided tour around the company campus.
