2. Measures taken to complete the syllabus of courses and programs.	<p>A.J Institute of Engineering and Technology is affiliated with Visvesvaraya Technological University, Belagavi and follows the curriculum prescribed by the University. As a measure to complete the syllabus of various courses under each program, each department in the institute prepares an academic timetable by incorporating the VTU calendar and the institute calendar which will mention about the various activities planned to conduct in a semester. Teachers conduct the theory classes and laboratory sessions as per the timetable.</p> <p>The department meetings are held frequently to review the syllabus completion status. The outcome of this meeting will ensure that sufficient topics from each module will be completed before each Internal Assessment. Classroom teaching is supplemented with seminars, group discussions tutorials and assignments in a well planned manner. The institution ensures effective curriculum delivery through a well-planned and documentation process.</p> <p>The faculty members are briefed on the academic activities planned in the institute for a particular semester which will enable them to plan and deliver the content for both theory and the laboratory sessions. The Head of the Department will allot a course to the teaching faculty based on their domain expertise and knowledge. The faculties then prepare the Course Content Delivery Plan for both theory related courses and laboratory courses before the semester begin.</p> <p>The internal assessment timetable will also be prepared by each department by considering the VTU and institute calendar. The evaluation of these assessments will be completed as per the schedule and will identify the slow learners of each courses and remedial classes will be conducted for the slow learners which will enable them to improve their performance for the further internal assessment and the final semester end examination.</p> <p>Apart from the content delivery in the classroom, the faculty will also prepare the teaching learning materials for the students to refer that include module-wise question banks, previous VTU question papers, e-books and PPTs which will be uploaded in the Google Classroom for that specific course.
