Organized by (Clubs/ Dept.)	Department Of Mechanical Engineering	In Association with (clubs)	Student Association ARMS			
Number of Participants	165	Students	140	Faculty	10	
Program Outcome (PO) Mapping	PO9					
Coordinators	Mrs. Prashantha D A & Mr. Harold J Dsouza Assistant Professor, Department of Mechanical Engineering					

About the Program: Shri. Harikumar A., CEO of Udupi Cochin Shipyard Limited, inaugurated the Association of Mechanical Engineering Students (ARMS) for the 2023–2024 academic year on Saturday, December 9, 2023, at 2:00 PM in Seminar Hall 1.

The ceremony proceeded with the lighting of a lamp by the dignitaries, including Dr. Shantharama Rai C, Principal, and Dr. Rajesh Rai P, Head of the Mechanical Engineering Department. The new office bearers of Team ARMS were greeted by association coordinator Mr. Prashantha D. A. during the oath-taking ceremony.

The student association's president, Mr. Bhuvan B. Shetty, provided a brief report on the association's 2022–2023 activities, and Mr. Abhishek gave a briefing on the events scheduled for 2023–2024.

Principal Dr. Shantharam Rai C. and Chief Guest Shri. Harikumar A. felicitated the academic achievers and toppers.

Mr. Vikith Salian gave a brief overview of Shri. Harikumar A. The chief guest. During his speech, Shri. Harikumar A. emphasized the importance of hard effort and discipline in achieving professional success. Dr. Shantharama Rai C. presented a sign of appreciation to the guest. Giving the presidential remarks, Dr. Shantharama Rai C., Principal of AJIET, discussed the value of mechanical engineering as well as the abilities needed to pursue a career in this area.

Mr. Ashur, the student organization secretary, put forth a vote of gratitude. The formal function's master of ceremonies was Mr. Sandeep U.

After the refreshments, there was an informal gathering that included cultural activities including singing, dancing, and little games. The audience for the day consisted of faculty members and first, second, third, and final year mechanical engineering students.

Objectives: The program “Branch Inauguration/Branch Entry” enable students to

- Understand the atmosphere created in the Mechanical Engineering branch
- Know the seniors by person and to know the ongoing activities conducted in the department
- Outcomes: On successful completion of program, the student should able to:
- Develop a good bonding with the seniors and unite to celebrate each program conducted in the department being part of the college.
