AJIET//2019-20/IQAC/07

Date: 01/07/2019

MINUTES OF MEETING

A J Institute of Engineering and Technology (AJIET) Mangaluru had its third IQAC meeting on July 1, 2019, at 3:00 PM. Dr. Shantharama Rai C., AJIET's principal, presided over the meeting. The Chairperson greeted all members, and the agenda was presented for discussion. The invited IQAC members and all department heads attended the meeting. The meeting covered the following topics.

- Dr. Nagesh H R. Presented several funding agencies, as well as the guidelines and regulations for applying for money. The Principal instructed each department that they must draft and submit a research funding request this academic year.
- Principal also listed out few activities to be conducted at institutional level and after the discussion it has been decided to organize Sports day in the month of January, AAKAR in the month of March so that all the students will be available in the campus.
- Dr. Antony P J offered quality improvement plans for students' overall progress using AICTE activity points. Rtn. J Vishwanatha Shetty of the Rotary Club of Mangalore North believes that co-curricular activities are critical for students' overall development, and that adding AICTE activity points is a good first step. He also advised that these activities be implemented effectively so that students may connect with society and learn about the various difficulties that it faces.
- All the HODs presented their Department roadmap for next one year. Different workshop, Technical Talk and FDP to be conducted are listed out and upon discussion with IQAC members slight modifications were done.
- Ms. Meghana Ballal, Placement Officer, recommended external training providers for students to strengthen their soft and technical skills, including proposals and fees. he principal suggested that technical training be done for a week at the start of each semester based on corporate requirements, with senior teachers from each department deputed for the same.
- All HODs delivered reports on research papers published by faculty and students in their respective departments. The principal insisted on filing patent applications.
- Mr.Abhijith Shetty, Juego Studio Private Limited, Mangalore suggested contact with startup companies/ industries and students should be engaged in real Time Projects from Industry
- Mr. GK Bhat Kakunje Suggested to get Problems from A J Medical College and can be given to students as final year Projects.
