SUGGESTION & CORRECTIVE MEASURES REPORT ON ALUMNI FEEDBACK ACADEMIC YEAR: 2023 – 2024

The Action Taken Report (ATR) on Alumni Feedback Analysis emerges from questionnaire feedback taken from Alumni on curriculum and facilities of the institution. The percentage-wise breakdown of responses shows a clear benchmark for improvement, with questions pertaining to institutional growth and excellence.

Feedback Methodology: Feedback from the Alumni on academic curriculum and facilities of the institution was taken using a questionnaire to measure the following on a four-point Likert scale with the options of Excellent, Almost Satisfied, Satisfied and Needs Improvement. This survey is conducted to determine the degree of parents' satisfaction with the curriculum and facilities.

Feedback Analysis: The breakdown of Alumni responses in percentage, serves as a quantifiable representation of Alumni's participation in growth of the institution. This numerical analysis measures the Alumni's satisfaction about the facilities and constructive feedback on the curriculum. A benchmark of 85% has been set as standard for action, highlighting continuous improvement in academics and facilities. Based on the feedback responses given by Alumni, all the questions have rated 85% and above. However, some general observations and action are suggested for low scoring category.

- Mentors and teachers assisted students in achieving success in co-curricular and extracurricular activities as well as improving academic achievement has scored low and hence mentoring process will be verified and refined from industry experts on latest trends has been suggested.
- Classrooms and lab spaces are furnished with ICT resources, LCD projectors, smart boards, wireless internet, and other devices scored slightly less and hence suggestion for more classrooms, smart boards, wireless internet will be provided.
- The curriculum includes value-added and certification programs to provide students new skills for lifelong learning and employability has been checked and more value added courses will be incorporated in the upcoming years .
