### About the Program:

The 56 students of 4th year ECE along with three Faculties, visited K.D.H.P. Co. Pvt Limited, Madupatty Factory on Nov 2<sup>nd</sup> 2022. The Kanan Devan Hills Produce Company is formed in the Kanan Devan Concession territory. Estates outside the Concession territory but within the High Range are owned by the Anglo-American Direct Tea Trading Company, also a subsidiary company of Finlay Muir & Co. Ltd. Students undergone a technical session on Introduction of Vetiver Grass Technology (VGT) in tea plantations for soil and water conservation is an important contribution by the department. Soil fertility status in various estates is monitored periodically through a Soil Map Project, and appropriate corrective actions are recommended, based on the analytical results. Quality control is another area of priority and all agricultural inputs used by the plantations are tested for their quality requirements before use.

On 3<sup>rd</sup> Nov 2022, Students visited K.S.E.B. Idukki Dam. Students had practical QA session with Mr. Biju V.G. Public relation officer.

The following problem has been identified by the students which can improve the factory production.
