Subject: Requesting Permission for Industrial Visit for 4th Year Students.

Respected Sir,

I am writing on behalf of the Department of CSE to seek your gracious permission to organize an industrial visit for our 4th year students. Such visits are integral to our curriculum as they provide practical exposure and real-world insights that complement the theoretical knowledge gained in the classroom.

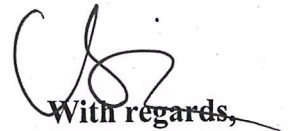

Details of the proposed industrial visit are as follows:

Date: 4/11/2023

Venue: Infosys Ltd, Mysore

Purpose: The visit was to provide students with a hands-on learning experience, allowing them to observe and understand various concepts in a practical settings.

Your approval will significantly benefit our students.

With regards,

Dr. Antony P.J

Trainees is about 6 months. After the brief introduction, students visited Software Development Block (SDB) where the new software is developed and testing takes place. Then the students led to Special Economic Zone (SEZ) where the tax related activities takes place and only the authorized employee can enter this zone.

Later students were lead into the massive Global Education Centre (GEC-1) within which the trainees were trained in the well-equipped Classrooms, each having the capacity to seat 200 Trainees at a time. There is a central library at the topmost floor in this GEC centre. After a brief break students were asked to gather in the AV room and were shown a video clip of Infosys History. Later the students were lead to a brief tour of the Campus where they were told about the various buildings such as the Origami Building i.e., a building made on designs of the Japanese Paper Folding Techniques, R&D labs, Volleyball, Basketball courts etc. After a brief campus tour, the students were lead to the Cafeteria and after the lunch, we logged out of the Infosys Campus.

Objectives: The program Industrial visit to Infosys Mysore enables students/ faculty to
