Proposal

Subject: To Celebrate National Innovation Day

Department of Information and Science is planning to celebrate “**National Innovation Day**” on 15-10-2022. The objective of the event is to create an awareness on Innovation and to motivate the students to create enduring products in their future.

Mapping to Program Outcomes (PO's): The event is relevant to **PO6, PO9, PO10, PO11, PO12**

PO6: The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

PO9: Individual and Team Work: Function effectively as an individual, and as a member or leader in diverse teams and in multidisciplinary settings.

PO10: Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO12 Life-long Learning: Recognize the need for and have the preparation and ability to engage in independent and life- long learning in the broadest context of technological change.

Report on "National Innovation Day"

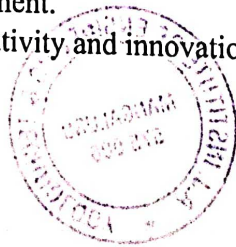

Name of the Program:	National Innovation Day	Program Dates & Timings:	15-10-2022		
Name & Details of the Resource Person:	Dr. Suresha D Professor and HOD, Information Science and Engineering				
Organized by (Clubs/ Dept.)	Information Science and Engineering	In Association with (clubs)	HIEKA		
Number of Participants		Students	68	Faculty	-
Program Outcome (PO) Mapping	PO 11 and 12				
Coordinators	Mrs. Sivapuram Jayasri				

About the Program:

Innovation Day is celebrated to create awareness for innovation and motivate people to create enduring products for future generations. An Innovation Day is an event that inspires young inventors to share their ideas with the world. Business organizations all over the world motivate their employees to be creative and develop innovative products and services for their customers. The national Innovation Day is celebrated commemorating the birth anniversary of former President of India, Bharat Ratna APJ Abdul Kalam.

Objectives: The program National Innovation Day enable students to

1. Introduce to the important roles that innovation plays in every aspect of human development.
2. Developing creativity and innovation in student life.

Principal
A.J. Institute of Engineering & Technology
Mangaluru - 575 006

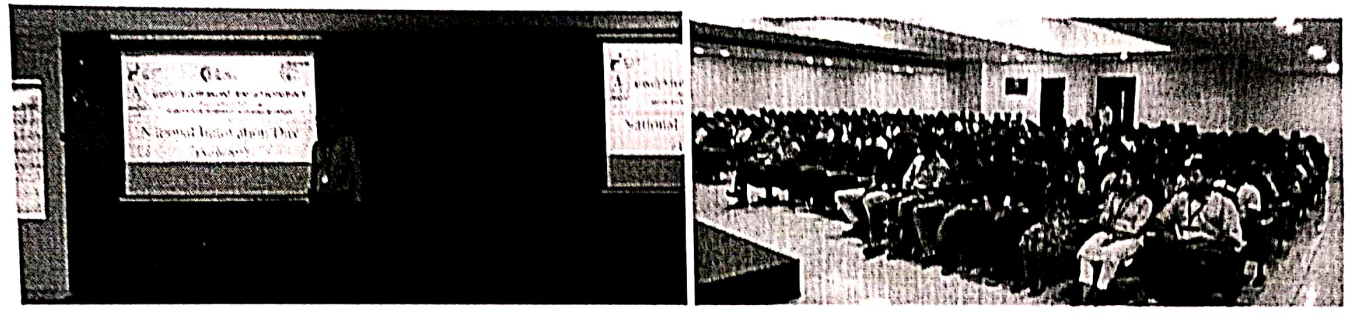

Outcomes: On successful completion of program of this talk the student should be able to:

1. Recognize the role that new knowledge plays in making a country more advanced and powerful.
2. Start researching the sorts of innovations that have come into the world this year in all the different fields

Articulation Matrix:

Course Outcomes	Program Outcomes												
	1	2	3	4	5	6	7	8	9	10	11	12	
1												3	3
2												3	3
Average												3	3
