ABOUT THE EVENT:

Manipal Dot Net is a highly reputed software and hardware design services company, located in Academic-Economic savvy town Manipal. The company provides both the software and hardware services to Industries, both within India and overseas. The projects are carried out in the areas of VLSI, EDA software, Embedded systems and Circuit design. The objective of the talk was to emphasize on the opportunities of start - up's for the growth of budding engineer's and also in nation building. Ms Anushri C, student of 6th Sem, ECE was the master of ceremony. Ms Prashanthi Shetty, student of 6th Sem, ECE introduced the Resource person to the gathering. Dr Niranjana U.C is a multi-faceted personality with vast experience and knowledge in signal processing.

The talk began with briefing about the dedication and hardships that were involved in the initial days of MDN. He mentioned that the company hires people of the same locality so that they may be with their loved ones at all the times. He gave his view on importance of start-ups and small scale industries in the economic development of a nation.

He motivated students to take up assignments and projects in one's area of interest and develop a real time model that eases the life of mankind. He encouraged students to become entrepreneurs, which is only possible by hard work, dedication and passion towards achieving your goal. He also assured the students of assistance and help in developing the projects in future. He said that the company also provides internships to the student which gives them an exposure to high-tech industry culture, and a chance to lay their hands on state-of-the-art technical work. He concluded the talk with a brief review of people dedicated to the company with their qualifications.

As a token of appreciation and gratitude a memento was presented to Dr Niranjana U C by our beloved Principal Dr. Shantharam Rai.
