

Date: 22/04/2024

Proposal

Subject: To organize the “TECHPRO-2024” final year students project competition.

Professional societies of AJIET, IEEE, ISTE students’ chapter and IEI is organizing “TECHPRO-2024” project competition for the benefit of final year students on 29-04-2024 from 9:30AM – 1:00 PM. The objective of the event is to provide the platform and unleash the potential of the students by showcasing their innovative and novel projects developed in the Final Year either as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning experience ,to introduce students to real-world engineering situations and encourage to develop solutions addressing environment, economic sustainability and societal cause, also to create opportunity to the students to exhibit their technical, communication skills, research orientation and project management.

Mapping to Program Outcomes (PO's): The event is relevant to **PO1, PO2, PO3, PO4, PO5, PO6, PO7, PO8, PO9, PO10, PO11 PO12**

PO1 Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems.

PO2 Problem Analysis: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural science and engineering sciences.

PO3: Design/Development of Solutions: The ability to design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

PO4: Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

AJ INSTITUTE OF ENGINEERING & TECHNOLOGY

A Unit of Laxmi Memorial Education Trust®

(Approved by AICTE, New Delhi, Affiliated to Visvesvaraya Technological University, Belgavi)

Accredited By NBA (BE : CV, CSE, ECE, ISE & ME)

PO5: Modern tool usage: Create, select and apply appropriate techniques, resources and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

PO6: The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

PO7: Environment sustainability: Understand the impact of the professional engineering solutions in the societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

PO8: Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

PO9: Individual and Team Work: Function effectively as an individual, and as a member or leader in diverse teams and in multidisciplinary settings.

PO10: Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO11: Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO12 Life-long Learning: Recognize the need for and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

Circular

Professional societies of AJIET, IEEE, ISTE student's chapter and IEI is organizing "TECHPRO-2024" for the final year students related to project competition scheduled on 29-04-2024 from 9:30AM – 1:00 PM. All the participants are here by informed to be in the venue on time and participate actively.

A handwritten signature in blue ink, appearing to read 'Suresh', is written over the printed name of the Technical Coordinator.

Report on "TECHPRO-2024- PROJECT COMPETITION"

Name of the Program:	TECHPRO-2024-PROJECT COMPETITION	Program Dates & Timings:	29-04-2024 9:30AM – 1:00 PM		
Name & Details of the Resource Person:	JUDGES OF THE EVENT				
Organized by (Clubs/ Dept.)	Professional Societies of AJIET IEEE, ISTE and IEI				
Number of Participants	275	Students	225	Faculty	50
Program Outcome (PO) Mapping	PO1, PO2, PO3, PO4, PO5, PO6, PO7, PO8, PO9, PO10, PO11 PO12				
Coordinators	Mr. Manju Kiran B, IEEE Coordinator, Dept of ECE Mrs. Deeksha Anand, ISTE Coordinator, Dept of Civil Mrs. Trapthi Shetty, IEI Coordinator, Dept of ECE				

About the Program: Professional societies of AJIET, IEEE, ISTE students chapter, IEI had organised TECHPRO-2024, final year students project competition to exhibit and evaluate the project works of all the departments. The event was inaugurated by, Dr. Shantharama Rai C, Principal AJIET, for the department of ECE, CSE and ISE and DR. Mahabaleshwarappa, Dean Academics Inaugurated in the department of Civil and Mechanical Engineering in the presence of all HOD of the departments and the Teaching fraternity.

Principal

In total 10 teams from Civil Engineering, 6 Teams from Mechanical Engineering, 11 Teams from ECE, 15 Teams from CSE and 14 Teams from ISE had exhibited their project during the event. The students participated very enthusiastically in the exhibition through which students gained high confidence about to build, present and communicate ideas to others.

The event was held on 29-4-2024 at 9:30 AM to 1:00 PM at MMM lab in the department of Mechanical Engineering and Computer lab in A block.

The event was coordinated by coordinators of AJIET- Professional societies namely IEEE, ISTE and IEI.

Objectives: The program **Tech Pro-Project Exhibition** enable students/ faculty to

- Provide the platform and unleash the potential of the students by showcasing their innovative projects developed in the Final Year either as Industry Defined Problem or User Defined Problem and provide an opportunity for the students to demonstrate their learning experience
- To introduce students to real-world engineering situations and encourage to develop solutions addressing environment, economic sustainability and societal cause.
- To create opportunity to the students to exhibit their technical, communication skills, Research orientation and Project management.

Outcomes: On successful completion of program **Tech Pro-Project Exhibition**, the student should able to:

- Apply their entire conceptual ideas for developing practical and innovative models.
- Develop communication skills, and to work in a team.
- Show their project at higher level and the process boosted their self-confidence.
