Dear Principal Sir/Madam,

Greetings from Seventh Sense Talent Solutions.

We hope this mail finds you well. Project Code Unnati, which is a collaborative effort involving the United Nations Development Programme (UNDP), SAP Labs India, the Government of Karnataka, Karnataka Skill Development Corporation (KSDC), and Seventh Sense Talent Solutions, is dedicated to nurturing the entrepreneurial spirit among our youth. We are honored to serve as the Implementing Partner for this groundbreaking initiative.

The core objective of Project Code Unnati is to empower youth with the necessary entrepreneurship knowledge. This initiative was implemented in three districts of Karnataka: Bangalore Rural, Dakshina Kannada, and Raichur. We are thrilled to provide a brief summary of our achievements in these regions:

1. Conducted Entrepreneurship Awareness Program (EAP) for **3900+ Students**.

2. Conducted Entrepreneurship Development Program (EDP) sessions for **2400+ Students**.

To celebrate **Youth Skill Day on July 15th, 2023**, we launched an exciting ideation challenge led by **Mr. Ashwin D Gowda, IRS, the Managing Director of Karnataka Skill Development Corporation (KSDC)**. Our Ideation Challenge Banner also went live on the KSDC website, inviting the creative ideas of our young minds.

3. The reaction was amazing - **we received a total of 1778 ideas** from talented young people in Dakshina Kannada, Raichur, and Bengaluru Rural Districts.

4. We are delighted to share that, with the assistance of esteemed jury members, we have diligently selected and shortlisted **568 exceptional students for the Bootcamp Session**.

5. The Bootcamp sessions provided students with guidance on prototyping, knowledge sharing, motivational feedback, and enhancement of presentation skills and pitch deck preparation, all under the mentorship of experts.
6. We conducted a Youth Start-Up Challenge event in all three districts—Raichur, Dakshina Kannada, and Bengaluru Rural—on **November 8th, 9th, and 10th, 2023**, respectively. Over 200 enthusiastic students participated in these events, presenting a **total of 135 innovative ideas** to our esteemed jury members. We are thrilled to announce the incredible outcome of this challenge. Based on the jury's evaluation, we're proud to share that 25 exceptional ideas have been selected as Seed Money Winners in the Project Code Unnati Start-Up Challenge.

Heartiest congratulations to these winners! They will be honored with a Seed Money award of Rs. 1 lakh each for their exceptional ideas.
