PROPOSAL

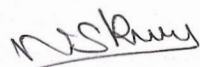

Subject: To conduct outreach program at Shri Ramashrama English Medium School, Konchady.

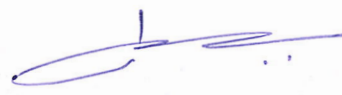

The NSS Unit of AJIET, in collaboration with Konchady Shri Ramashrama English Medium School, proposes an event aimed at assisting local schools in achieving better academic results and increasing student enrollment in higher, technical, and vocational education. Scheduled for June 26, 2024, this initiative seeks to provide students with the necessary guidance, resources, and motivation to pursue further education and improve their academic performance.

Mapping to Program Outcomes (PO's)

- The event is relevant to **PO6, PO7, PO9 & PO10**
- **PO6: The Engineer and Society:** Apply reasoning informed by contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to professional engineering practice.
- **PO7: Environment and Sustainability:** Understand the impact of professional engineering solutions in societal and environmental contexts, and demonstrate knowledge of and need for sustainable development.
- **PO9: Individual and Team Work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- **PO10: Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

Target Participants: Second Year ECE students.

NAME OF THE EVENT:	Helping local schools to achieve good results and enhance their enrolment in Higher/technical/ vocational education.
ORGANISING COMMITTEE :	NSS Unit,AJIET & Konchady Shri Ramashrama English Medium School
DATE :	26/06/2024
EVENT LOCATION	Shri Ramashrama English Medium School, Konchady
NO OF PARTICIPANTS :	23

The National Service Scheme (NSS) activity at Konchady Shri Ramashrama English Medium School in Dakshina Kannada was organized by the ECE students of AJIET. Their mission was to provide guidance on strategies for achieving better academic results and increasing enrollment in higher, technical, and vocational education.

The main Objectives of this activity include:

- **Improve Academic Achievement:** Students will learn effective study methods and exam preparation techniques to enhance their academic performance.
- **Explore Education and Career Opportunities:** The workshop will raise awareness about different educational pathways and career options, promoting informed decisions for students' future education and career pursuits.

During the session, the ECE students underscored the significance of focusing on key subjects and presented comprehensive insights into various career paths. They explained the benefits of advanced education, highlighting how it can lead to better career opportunities and personal development.

The talk included practical tips for enhancing study habits, such as effective time management, setting achievable goals, and maintaining a consistent study schedule. The speakers also shared strategies for exam preparation, covering techniques for better information retention and managing exam-related stress.

Moreover, the session delved into vocational training opportunities, encouraging students to consider these alongside traditional academic routes. The goal was to inspire and motivate students to pursue higher education by providing them with the knowledge and tools needed to make informed decisions about their future.

Overall, the session aimed to empower students with the confidence and information necessary to excel academically and explore the diverse educational and vocational opportunities available to them.
