## PROPOSAL

**Subject:** Proposal to conduct rural outreach program at Sasihithlu village, Mangaluru .

The NSS Unit of AJIET is organizing a visit to Sasihithlu Village as part of its "Social Connect and Responsibilities" initiative. Scheduled for August 8, 2023, this visit aims to strengthen the bond between the college and the local community, address social responsibilities, and contribute to the village's development through various activities.

Mapping to Program Outcomes (PO's)

- The event is relevant to **PO6, PO7, PO9 & PO10**
- **PO6: The Engineer and Society:** Apply reasoning informed by contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to professional engineering practice.
- **PO7: Environment and Sustainability:** Understand the impact of professional engineering solutions in societal and environmental contexts, and demonstrate knowledge of and need for sustainable development.
- **PO9: Individual and Team Work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- **PO10: Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

Target Participants: Third Year Civil students.

On August 8th, 2023, the fourth-semester Civil Engineering students of AJIET, Mangalore, under the guidance of Ms. Pavithra, conducted a NSS camp in Sasihithlu village from 2 pm to 5 pm. The camp aimed to create awareness among the villagers about the spread of Malaria and Dengue.

### Camp Activities:

The 12 NSS volunteers were divided into three teams and visited each household in the village. They created awareness among the villagers about the causes, symptoms, prevention, control, and treatment of Malaria and Dengue. Additionally, they distributed pamphlets regarding Malaria-Dengue awareness.

**Importance of Cleanliness:** The volunteers emphasized the importance of maintaining cleanliness in the surroundings to prevent mosquito breeding and reduce the risk of mosquito-borne diseases. The students actively participated in cleaning the village surroundings, ensuring a thorough cleanup.

**Preventing Mosquito Bites:** The teams educated the public on how to avoid mosquito bites and prevent mosquito breeding. This included tips on wearing protective clothing, using mosquito repellents, and eliminating standing water sources.

**Community Response:** The villagers responded positively to the awareness campaign, showing appreciation for the efforts made by the NSS team. Each team's participation contributed to making the event a grand success.

The NSS camp successfully created awareness about Malaria and Dengue among the villagers, promoting a healthy community and reducing the risk of these diseases.
