The NSS Unit of AJIET, in collaboration with Marakada Yuvaka Mandala Anganwadi Kendra, organized a vocabulary enhancement program from November 3, 2022, to December 10, 2022. This initiative aimed to improve the vocabulary skills of young children, thereby increasing their chances of enrolling in higher education and vocational training programs in the future.

## Objectives

1. To enhance the vocabulary skills of children at Marakada Yuvaka Mandala Anganwadi Kendra.
2. To increase awareness about the importance of higher education and vocational training.
3. To lay a foundation for better academic performance and future educational opportunities.

## Activities Undertaken

### *Program Duration and Schedule*

The vocabulary enhancement program was conducted over a period of two weeks, amounting to approximately 90 hours of instructional time. The sessions were scheduled flexibly between November 3, 2022, and December 10, 2022, to accommodate the needs of the Anganwadi Kendra and the availability of volunteers.

### *Instructional Approach*

The program focused on interactive and engaging methods to teach vocabulary to young children. The instructional approach included:

- **Storytelling Sessions:** Using stories to introduce new words and phrases in an engaging manner.
- **Visual Aids:** Utilizing pictures, flashcards, and charts to reinforce vocabulary learning.
- **Games and Activities:** Incorporating word games, puzzles, and group activities to make learning fun and effective.
- **Songs and Rhymes:** Teaching vocabulary through songs and rhymes to enhance retention and recall.

## *Assessment and Evaluation*

To evaluate the effectiveness of the program, regular assessments were conducted to monitor the progress of the children. These assessments included:

- **Observation:** Monitoring the participation and engagement of children during sessions.
- **Quizzes:** Conducting simple quizzes to test the vocabulary skills learned.
- **Feedback:** Gathering feedback from teachers and parents on the impact of the program.

## **Outcomes**

- **Improved Vocabulary Skills:** The program successfully enhanced the vocabulary skills of the children, making them more confident in using new words and phrases.
- **Operational Efficiency:** The program plan was effectively translated into an operationally viable initiative, ensuring high delivery efficiency of the services provided.
- **Positive Impact:** The activity reached young children, especially those in the age group of six months to three years, laying a strong foundation for their future academic journey.
- **Community Engagement:** The involvement of local volunteers and community members fostered a sense of collaboration and support for the children's education.

## **Conclusion**

The vocabulary enhancement program at Marakada Yuvaka Mandala Anganwadi Kendra was a successful initiative that significantly contributed to improving the vocabulary skills of young children. The program's flexible schedule and interactive approach ensured high levels of engagement and learning. By focusing on vocabulary development, the program aimed to enhance the children's prospects for higher education and vocational training in the future. The success of this initiative highlights the importance of early intervention and community support in shaping the educational outcomes of young children.
