NAME OF THE EVENT:	SWACHHATA ABHIYAN
ORGANISING COMMITTEE :	NSS UNIT
DATE :	16-09-2019
EVENT LOCATION	MARKET ROAD, MANGALORE
NO OF PARTICIPANTS :	67

Swachhata Seminar and Swacchha Bharat Program, conducted in collaboration with the esteemed Ramakrishna Mutt, Mangalore. This significant initiative was a testament to our collective commitment to cleanliness and the betterment of our community.

Our dedicated students actively participated in the seminar and the subsequent cleanliness drive. The cleanliness drive was held in the bustling surroundings of Mangalore City Market. Our volunteers donned gloves, picked up brooms, and rolled up their sleeves to clean the area thoroughly. Their enthusiasm and dedication were palpable as they worked tirelessly to remove litter, segregate waste, and sanitize the public space. This hands-on activity not only made an immediate positive impact on the local environment but also served as a powerful example to the community about the importance of maintaining cleanliness in public areas.

A highlight of the event was the motivational address by Swamiji from Ramakrishna Mutt. Swamiji's words resonated deeply with everyone present. He emphasized the importance of individual responsibility in achieving Swacchhatha and urged the students to become ambassadors of cleanliness. Swamiji's message was clear: by educating our families, friends, and neighbors about the importance of cleanliness, we can collectively achieve a cleaner, healthier nation. He inspired everyone to adopt clean habits and spread awareness within their communities, reinforcing the idea that true Swacchhatha starts from within each of us.

Swamiji's address was not just motivational but also educational. He highlighted practical ways to maintain cleanliness in our surroundings, such as proper waste disposal, recycling, and reducing plastic use. His emphasis on personal responsibility and community involvement struck a chord with the audience, encouraging everyone to take proactive steps towards achieving a Swacchh Bharat.

The event concluded with a renewed sense of purpose and commitment among all participants. The seminar and cleanliness drive were not just activities but a movement towards a larger goal. It was a day that reminded us of the power of collective action and the significant impact we can make when we come together for a common cause.
