PROPOSAL

Subject: Start Up Challenge Event organised by UNDP,SAP Labs and Seventh Sense
The Entrepreneurship development and Innovation cell, AJIET is organizing a 1 day project series on "StartUp Challenge" on 15th June 2022. The objective of the series is to promote encourage students to come up with innovative thoughts and develop a product.

Mapping to Program Outcomes (PO's)

- The talk is relevant to **PO6, PO7, PO10, PO11and PO12**
- **PO6:**Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice
- **PO7:**Understand the impact of the professional engineering solutions in the societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- **PO10: Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- **PO11:**Demonstrate knowledge and understanding of the engineering and management principles and apply these to ones own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- **PO12: Life-long Learning:** Recognize the need for and have the preparation and ability to engage in independent and life- long learning in the broadest context of technological change.

Target audience: Students
