## PROPOSAL

**Subject:** To conduct outreach program at Bala Samrakshana Kendra, Kuttarpadhavu.

The NSS Unit of AJIET, in collaboration with Bala Samrakshana Kendra, Kuttarpadhavu, proposes a comprehensive program focused on plantation, cleaning, and raising awareness about environmental conservation. Scheduled from March 21, 2023, to March 29, 2023, this initiative aims to improve the local environment, promote sustainable practices, and educate the community about the importance of environmental stewardship.

### Mapping to Program Outcomes (PO's)

- The event is relevant to **PO6, PO7, PO9 & PO10**
- **PO6: The Engineer and Society:** Apply reasoning informed by contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to professional engineering practice.
- **PO7: Environment and Sustainability:** Understand the impact of professional engineering solutions in societal and environmental contexts, and demonstrate knowledge of and need for sustainable development.
- **PO9: Individual and Team Work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- **PO10: Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

Target Participants: Final Year ME students.

<b>NAME OF THE EVENT:</b>	Plantation ,Cleaning and Awareness Program
<b>ORGANISING COMMITTEE :</b>	NSS UNIT ,AJIET & Bala Samrakshana Kendra, Kuttarpadhavu
<b>DATE :</b>	21-03-2023 to 29-03-2023
<b>EVENT LOCATION</b>	Bala Samrakshana Kendra, Kuttarpadhavu
<b>NO OF PARTICIPANTS :</b>	18

## Introduction

The Plantation, Cleaning, and Awareness Program was a collaborative initiative organized by the NSS Unit, AJIET, and Bala Samrakshana Kendra, Kuttarpadhavu. This event took place from the 21st to the 29th of March, 2023, at the Bala Samrakshana Kendra, a shelter home for children in Kuttarpadhavu. The primary aim of the event was to engage in environmental conservation activities while fostering a sense of community and support for the children residing at the Kendra.

## Objectives

1. To enhance the environment by cleaning and planting saplings in the garden.
2. To provide necessary food items and support to the children at the orphanage.
3. To interact with the children, understand their experiences, and offer emotional and financial support.
4. To raise awareness about environmental conservation among the participants and the children.

## Activities Undertaken

### *Visit and Introduction*

Upon arriving at Bala Samrakshana Kendra, the participants brought along necessary food items for the children. These items were offered to the children, and a brief introduction session was held where the participants introduced themselves. This initial interaction set a positive tone for the activities that followed.

### *Cleaning the Garden*

The program commenced with a garden cleaning activity. Participants, along with the children from the orphanage, worked together to clean the garden area. The cleaning process involved collecting waste, trimming overgrown plants, and ensuring that the garden was tidy. The collected waste was then properly disposed of in a designated dumping yard.

## *Plantation of Saplings*

Following the cleaning activity, participants planted saplings in the garden. The children from the orphanage actively participated in this plantation drive, learning about the importance of trees and how to care for them. This activity not only beautified the garden but also instilled a sense of environmental responsibility in the children.

## *Interaction with the Children*

One of the most impactful parts of the program was the interaction with the children at the orphanage. Participants spent time with the children, listening to their life experiences and the challenges they faced. This interaction provided the children with a platform to share their stories and feel heard. The participants offered words of encouragement and support, creating a warm and empathetic environment.

## *Financial Contribution*

At the conclusion of the program, participants collectively contributed money for the welfare of the children at Bala Samrakshana Kendra. This contribution aimed to support the needs of the children and enhance their living conditions.

## **Outcomes**

- **Environmental Impact:** The cleaning and plantation activities contributed to a cleaner and greener environment at the orphanage.
- **Community Engagement:** The program fostered a sense of community and solidarity between the participants and the children.
- **Awareness and Education:** Both participants and children gained valuable insights into environmental conservation and the importance of supporting each other.
- **Emotional Support:** The interaction with the children provided emotional support and encouragement, making them feel valued and cared for.
- **Financial Assistance:** The monetary contribution helped in meeting some of the needs of the children, improving their overall well-being.
