## About the Event:

The talk titled "*Post-COVID Web Revolution: Trends and Opportunities in the Digital Age*" was conducted by the Department of Computer Science and Engineering on 21st May 2022. The session, led by Mr. Vipin Kumar Nittoor, a Specialist in Java Technologies at Infosys Ltd., Mangalore, aimed to provide insights into the evolving landscape of web technologies and the opportunities arising from the post-COVID era.

## Objectives:

- To Explore Emerging Web Trends:** Examine the key trends in web development and technology that have surfaced in response to the COVID-19 pandemic.
- To Identify New Opportunities:** Highlight the new avenues for innovation and growth in the digital age.
- To Provide Practical Insights:** Offer actionable advice and best practices for leveraging these trends in real-world applications.
- To Encourage Adaptation:** Foster an understanding of how to adapt to the rapidly changing technological landscape.

The talk on "*Post-COVID Web Revolution: Trends and Opportunities in the Digital Age*" successfully provided valuable insights into the evolving landscape of web technologies. Mr. Vipin Kumar Nittoor's expertise and engaging presentation offered students a comprehensive understanding of current trends and future opportunities. The session fostered a greater appreciation of the dynamic nature of web development and encouraged students to stay proactive and innovative in their approach to technology.
