About the Event:

From December 29th to 30th, 2021, a training titled "Enhancing Horizons: A Soft Skills Development Training" was conducted for 30 Electronics and Communication Engineering students by Mr. Ramprasad and his team from 10 Seconds. The workshop aimed to develop essential soft skills that are crucial for personal and professional success.

Workshop Highlights:

1. Communication Skills:

The sessions included activities to improve verbal and non-verbal communication, focusing on clarity, confidence, and effective listening.

2. Teamwork and Collaboration:

Students participated in group activities designed to enhance their ability to work effectively in teams, understand group dynamics, and build collaborative relationships.

3. Problem-Solving and Critical Thinking:

Mr. Ramprasad and his team introduced techniques for creative problem-solving and critical thinking, encouraging students to approach challenges with a strategic mindset.

4. Time Management:

The workshop also covered strategies for efficient time management, helping students prioritize tasks and manage their schedules effectively.

5. Leadership Skills:

The final segment focused on developing leadership qualities, such as decision-making, motivation, and conflict resolution.
