Name of the event/activity	A talk on how to develop Leadership Skills		
Organized by	Electronics and Communication Engineering		
Date of event/activity (DD-MM-YYYY)	27/06/2022	Time	12:00pm-1:00pm
Name of the Resource Person	Mr Ramprasad, 10 Seconds		
Number of the students participated	45		

## About the Event:

On 27/06/2022 a talk on "How to Develop Leadership Skills" was conducted for 45 ECE students by Mr. Ramprasad and his team from 10 Seconds. The session aimed to equip students with essential leadership skills necessary for personal and professional growth.

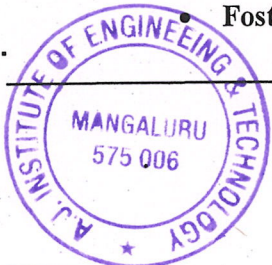

Mr. Ramprasad and his team engaged the students with interactive discussions, practical exercises, and real-life examples of effective leadership. The talk covered various aspects of leadership, including communication, teamwork, decision-making, and conflict resolution. Students were encouraged to participate actively and reflect on their leadership styles. Feedback from the participants was overwhelmingly positive. They appreciated the insights provided and felt more confident in their ability to take on leadership roles. The talk by Mr. Ramprasad and his team was well-received, providing valuable knowledge and inspiration to the future leaders.

## Objectives:

- **Understand Leadership Principles:**
  - By the end of the session, students will be able to articulate key principles of effective leadership.
- **Develop Communication Skills:**
  - Students will learn and practice essential communication skills required for effective leadership, including active listening and clear articulation of ideas.
- **Enhance Decision-Making Abilities:**
  - Students will understand different decision-making styles and techniques, and will participate in activities that enhance their ability to make sound decisions.

• **Foster Team Building and Collaboration:**
