About the Event:

A training was conducted by Ms Naija & team, 10 Seconds on "Mathematical Mastery: Excelling in Quantitative Aptitude" from 15th July 2024 to 20th July 2024. The event aimed to enhance the quantitative aptitude skills of the participants, providing them with a comprehensive understanding and the tools needed to excel in mathematical problem-solving. The training spanned six days, with each day divided into multiple sessions, focusing on different aspects of quantitative aptitude. The event was facilitated by Ms. Naija and her team from 10 Seconds, a renowned organization specializing in quantitative training.

Objectives:

- To build a strong foundation in basic mathematical concepts.
- To enhance problem-solving abilities and logical reasoning.
- To improve speed and accuracy in quantitative calculations.
- To prepare students for competitive exams and professional assessments requiring quantitative aptitude.

The "Mathematical Mastery: Excelling in Quantitative Aptitude" event was a resounding success, fulfilling its objectives of empowering students with essential quantitative skills. The participation and engagement from the students were commendable, and the expertise of Ms. Naija and her team greatly contributed to the program's effectiveness. The Department of Computer Science & Engineering looks forward to organizing more such enriching events in the future.
