Alumni Interaction Series

Event Name	Alumni Interaction Series
Resource person	Ms. Meghana Shetty Batch 2016-20, Ribbons Communications
Organised by	Alumni Association
Date	19.02.2022

Report:

The Aim of the Alumni interaction is to create awareness about the latest technology used in the industry and to make students to get ready for the same.

Meghana Shetty shared her experience as a student and as an employee with second year ECE students. She started her presentation with different career option available for an electronics Students. She Explained about the importance of each subject of ECE and kind of preparation is required whenever they face the interview.

She also spoke about Importance of Mini Projects, Projects and Internship in PI.

Students interacted with Meghana regarding preparation required for Hardware and software companies and discussed about how to select companies for internship.
