Technical Talk on "Beyond the GATE: Career Paths and Opportunities"

Date	01/12/2021
No. of participants	62
Resource Person	Mr. Stanley D'souza

Report:

Department of ECE organized Technical Talk on Opportunities through GATE Exam for Students of Electronics and Communication.

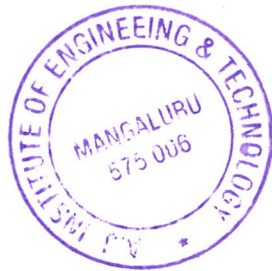

The resource person Mr. Stanley D'souza given in depth details to our students of Electronics and Communications Engineering about the Opportunities after scoring GATE exam.

Students are also provided with exposure to logical reasoning skills. In total 62 students had actively participated in the event.

Objectives

- To explain the structure and significance of the GATE exam.
- To outline the various career paths available post-GATE.
- To provide actionable guidance on how to effectively prepare for the GATE exam.
- To inspire participants to consider diverse career opportunities through personal success stories.

"Beyond the GATE: Career Paths and Opportunities" was a highly informative and inspiring session that achieved its objectives of guiding participants through the various career possibilities available after clearing the GATE exam. The session equipped attendees with the knowledge, resources, and motivation needed to take full advantage of the opportunities that GATE offers.
