Stuttgart, 15. February 2023

Your application for Winter semester 2023/24, Application number 1-00425644

LETTER OF ADMISSION

Dear Shivani Shetty,

We are pleased to inform you that you have been accepted to the Master's study program **Electrical Engineering (in English), Master of Science** starting Winter semester 2023/24. Welcome!

You have received a letter of conditional admission. For this particular admission, the following requirements must be fulfilled/the following documents must be submitted:

- * Submission of 'Bachelor's Degree Certificate'
- * Submission of 'APS certificate (Upload)'

If you have not submitted your Bachelor's degree certificate at the time of application for the Master's study program, you received a conditional admission. This implies that, as a rule, you can only enroll after the successful completion of your Bachelor's degree certificate. The conditional admission is valid for Winter semester 2023/24 and for the two subsequent semesters. In case of a renewed application based on a previous conditional admission, the conditions already imposed remain in effect.

Principal

If you already pursued university studies before your application, you are only admitted provided that you have not lost the right to take examinations in the study program mentioned above.

Enrollment for study programs beginning in the summer semester is possible from March onwards, for study programs beginning in the winter semester from September onwards.

In order to enroll, you need to download and complete the application for enrollment in C@MPUS, sign it and then submit it to the Admissions Office (Division Students' Affairs) including all required documents (see list of documents) by the end of the enrollment deadline **15. November 2023**. Additionally your semester fee need to have arrived by at the University of Stuttgart upon enrollment. Otherwise, enrollment will not be possible and you will not receive your certificate of enrollment. Please do not forget to attach a certified copy of your Bachelor's degree (in German or English).

Get started at the University of Stuttgart!

The website "Get your studies off to a perfect start" guides you through the first steps after arriving at the University of Stuttgart: <https://www.student.uni-stuttgart.de/en/startingout/international/perfect-start/>

Success with your studies at the University of Stuttgart!

With kind regards

Your team of Division 3 – Students' Affairs

Notice - This Letter of Admission is considered as a valid certificate for official and legal authorities:

The Master's program Electrical Engineering (in English) is designed for a period of four semesters and will be offered as an on-site-program. The language of instruction is English.

For further regulations, please refer to the Study and Examination Regulations, which can be found on the website of your Master's study program: [https://www.uni-stuttgart.de/studium/studienangebot/Electrical-Engineering-M.Sc-00001./](https://www.uni-stuttgart.de/studium/studienangebot/Electrical-Engineering-M.Sc-00001/)

According to § 37 Section 5 LVwVfG BW/State Administration Act, this computer generated notification is valid without a signature or seal/stamp.
