**Dear Abhilash,**

**Congratulations** - We are thrilled to invite you to embark on a Decision Sciences journey with Mu Sigma, the world's largest pure-play Big Data Analytics & Decision Support company. With a worldwide footprint, Mu Sigma acts as a Transformation Sherpa for its customers in their endeavor to change the way they compete.

Since inception, Mu Sigma has challenged traditional paradigms of learning modes, problem-solving, decision-making, and leadership to enable and accelerate the journey of young problem-solvers into global leaders that transform the journey of Fortune 500 organizations. **Our model has demonstrated that young and fearless decision sciences leaders can be groomed through unrivaled training & unparalleled work experience.**

With Mu Sigma, you belong to a special category of people who are not only building a path-breaking Company, but also laying the foundation for a new industry. You have a rare opportunity to be part of a team that is defining the space of decision sciences, as well as challenging widely held business practices and beliefs along the way.

**At Mu Sigma, you will be challenged and you will challenge every day** – you will be encouraged and rewarded for questions over answers, for challenging the status quo, for asking 'why not' over 'why', for being daring enough to counter experience with experiments, and for being bold enough to question traditional knowledge with new learnings. You will solve complex problems for Fortune 500 giants across Retail, Healthcare, CPG, Insurance, Automobile, and many other industries by combining Math, Business Acumen, Technology, Behavioral Sciences, and Design Thinking.

We trust you are as excited as us by the opportunities the future holds, and if you are committed to evolving into an elite decision sciences leader, **we invite you to undertake this journey with us.**

## Your Decision Sciences Journey with us – Overview & Structure

During your course of employment, you will be learning and delivering value real-time every day.

### Up to 120 Days: Induction & Training

You will undergo an immersive training in Mu Sigma's unique **Art of Problem Solving (AoPS™)** ecosystem to develop a problem-solving mindset that combines math, business, and technology with behavioral sciences & design thinking. You will be mentored to elevate your mindset, skillset, toolset, and you will be groomed by Decision Sciences practitioners who are abreast of current industry challenges and real-world problems, with access to Mu Sigma proprietary tools and central learning repository.

At the end of the program, you will be equipped with an experimentative, learning-driven and interdisciplinary approach to problem-solving and **you will be ready to be allocated in different fulfillment or enablement teams at Mu Sigma.**

### Trainee Decision Scientist Journey

During your journey as a Trainee Decision Scientist, you will explore a wide range of cross-industry and cross-functional real-world problems with Fortune 500 customers across multiple industry verticals and business horizontals. You will have a 360° view to problem-solving and will experience the full life-cycle of a problem, all the way from problem-definition to solution implementation within the customer organization. You will observe first-hand, the impact of your work on the decisions of leading global organizations and innovate closely with the CXOs and senior leadership of industries.

### Apprentice Leader Journey

Subject to satisfactory performance, you will be promoted to an Apprentice Leader (AL). As an AL, you will be a member of Mu Sigma's leadership community. You will be tasked with driving revenue growth, managing key accounts and customer relationships, mentoring Trainee Decision Scientists (TDS), and contributing to organizational initiatives.
