Srinivas Institute of Technology in Mangalore hosted the prestigious "ENVISION-2K19," a techno-cultural fest that attracted students from various colleges, creating an atmosphere of excitement and innovation from 11th to 12th March 2019. The event featured an array of activities designed to challenge and inspire participants, with one of the key highlights being the Technical Treasure Hunt. This innovative competition captivated the attention of many, testing the problem-solving abilities, technical knowledge, and teamwork skills of the participants. Each clue and problem in the treasure hunt was intricately designed, drawing upon various technological and engineering concepts, ensuring a stimulating and intellectually rewarding experience for all involved. The inauguration of "ENVISION-2K19" was met with enthusiasm, setting the stage for a dynamic and competitive atmosphere throughout the fest. The Technical Treasure Hunt, in particular, stood out as a memorable aspect of the event, providing a unique platform for students to showcase their technical prowess and creativity. Beyond the thrill of competition, the fest also fostered collaboration and learning, as students worked together to overcome challenges and achieve success. The success and vibrancy of "ENVISION-2K19" were significantly bolstered by the Technical Treasure Hunt, making it an unforgettable experience for all participants.
