NAME OF THE EVENT:	TIARA-2019 IN ST JOSEPH ENGINEERING MANGALORE
DATE :	13.03.2019 and 14.03.2019
NO OF PARTICIPANTS :	45

St. Joseph Engineering College in Vamanjoor, Mangalore, hosted "TIARA 2019," a distinguished national-level technical fest on 13th and 14th March 2019. The event attracted engineering students and professionals from across the country, creating a vibrant platform for technical and innovative activities. "TIARA 2019" showcased a broad spectrum of competitions, workshops, and seminars that emphasized cutting-edge technologies and advancements in engineering. The fest provided participants with the opportunity to display their technical skills, collaborate on innovative projects, and gain valuable insights into the latest industry trends. The two-day event was characterized by high-energy activities and enthusiastic participation, with competitions like coding challenges, robotics contests, technical quizzes, and cultural events designed to test and expand the participants' technical knowledge and problem-solving abilities. "TIARA 2019" successfully fostered an environment of learning and inspiration, underscoring the importance of technical expertise and creativity in the engineering field. Through its diverse and dynamic offerings, the fest not only celebrated technological innovation but also reinforced the critical role of continuous learning in shaping the future of engineering.
