Name of the Event:	RANGOLI COMPETITION
Date:	09-01-2024
Number of Participants:	28

About the Program: A Rangoli competition is an event where participants create colourful and intricate designs on the floor, typically using materials like coloured powders, flower petals, rice, or sand. Rangoli is a traditional Indian art form, often made during festivals and celebrations, symbolizing prosperity, good luck, and the welcoming of guests. Cultural committee at AJ Institute of Engineering & Technology organized a Rangoli making competition on 09th January 2024 for students of all the semesters. Total 28 students participated with full enthusiasm. The event started at 11.00 AM and ended at around 12.30 PM. The theme of the event was “Indian Culture”. A total of 10 groups participated and presented their creativity in a colourful manner. Dr. Sujaya C, Assistant Professor from the Department of Physics and Mrs. Deeksha Anand, Assistant Professor from the Department of Civil Engineering were invited as the judges. Event was successfully coordinated by the cultural committee Chief coordinator Dr Shobhitha Shetty, Coordinators Mr. Nitesh and Mrs Aishwarya Bhat along with student coordinators. Rangoli competition winners are Aakash Sharma and team of 2nd year CSE and Prajna Shivani and team of third year ISE.
