Program Outcome (PO) Mapping	PO6, PO8, PO9, PO10, PO12				
Coordinators	Dr. Suresha D, HOD-AIML Mr. John Prakash Veigas, HOD-AIDS Dr. Laxmi Gulappagol, HOD-ICB				

About the Program:

The vibrant atmosphere at AJIET on December 8, 2023, resonated with enthusiasm and anticipation as the institution embarked on a historic journey with the association inauguration of its new Bachelor of Engineering programs. The occasion was graced by the presence of Mr. Abhijith Shetty, Vice President of Delivery and Cloud Services at Juego Studio, a distinguished figure in the field of delivering cloud solutions based in Mangalore. The event commenced at 1:30 PM in Seminar Hall-3, led by Ms. Shia, a first-year student from AJIET's AIDS department the Master of Ceremonies for the day, took charge, orchestrating an engaging schedule that promised a blend of formality and celebration.

The session commenced with a symbolic banner drop, showcasing the collaborative efforts of the ICB (Internet of Things and Cyber Security with Blockchain Technology), AIML (Artificial Intelligence and Machine Learning), and AIDS (Artificial Intelligence and Data Science) departments. This visual representation set the tone for the multifaceted journey the students were about to embark upon. The proceedings began with the Guest Escorting by Student Association Coordinators, symbolizing the collaborative spirit of the student body. A moment of prayer led by representatives from ICB, AIML, and AIDS – Ms. Spoorthi, Ms. Prathiksha, and Ms. Reshma – added a spiritual touch, fostering unity and

reflection. Ms. Bhuvanashree, the Association Coordinator for AIML, extended a warm welcome, setting the stage for the official welcome speech. Her words resonated with warmth, emphasizing the significance of hospitality as the first sign of a memorable event.

Ms. Purvi Vinayagam, the Association Coordinator for ICB, introduced the esteemed chief guest, Mr. Abhijith Shetty, Vice President of Delivery and Cloud Services at Juego Studios Private Limited, Mangalore. Mr. Abhijith Shetty, Juego Studio's VP for Delivery and Cloud Services, holds over 8 years of expertise in managing global gaming projects. As a Certified Solutions Architect, he leads a talented team, ensuring project quality, timeliness, and budget adherence. Specializing in scalable cloud architectures and REST API implementation, Mr. Shetty has crafted a widely embraced open-source framework for building REST APIs. His leadership fosters innovation and excellence in the gaming industry.

In his insightful speech, Abhijith Shetty emphasized the pivotal role of consistency and hard work in achieving success. Drawing from his extensive experience as Juego Studio's VP for Delivery and Cloud Services, he highlighted that consistent efforts, even in the face of challenges, are fundamental to professional growth. Mr. Shetty underscored how maintaining a steadfast commitment to one's goals, coupled with unwavering hard work, forms the cornerstone of a successful career. His words resonated with the audience, inspiring them to embrace a work ethic centered on perseverance and dedication as they navigate their respective paths to success.

The Heads of Departments (HODs) of ICB, AIML, and AIDS – Dr. Suresha D, Mr. John Prakash Veigas, and Dr. Laxmi Gulappagol – enriched the gathering with their perspectives on the uniqueness of each program and the boundless opportunities awaiting the students. The principal, Dr. Shantharama Rai C, addressed the audience, embodying the backbone and strength of AJIET. His words exuded pride and optimism, setting a profound tone for the academic journey that lay ahead. In a symbolic gesture of appreciation, Mr. Abhijith Shetty was honored with a memento presented by Dr. Shantharama Rai C, symbolizing the institution's gratitude for his presence and contribution to the event.

The formalities concluded with Mr. Rithvik, the Student Association Coordinator for AIDS, delivering a heartfelt vote of thanks, expressing gratitude to all stakeholders, faculty, students, and guests who contributed to the success of the event.

In essence, the Association Inauguration at AJIET was more than just a ceremonial event; it was a celebration of knowledge, collaboration, and the promising future that lies ahead for the students in the fields of IoT, Cyber Security, Blockchain Technology, Artificial Intelligence, Machine Learning, and Data Science. The day will be etched in the annals of AJIET's history as a testament to its commitment to fostering excellence in education and preparing students for the challenges of the ever-evolving technological landscape.

Objectives:

1. Establish student associations (ICB, AIML, AIDS) meeting industry and tech advancement criteria.

2. Cultivate unity and teamwork, fostering collaboration and a strong sense of community among diverse students.

Outcomes: On successful completion of program

1. The program created a collaborative platform, fostering unity among diverse students.
2. Participants learned about opportunities to host technical events, enriching practical experience and fostering knowledge sharing within the community.

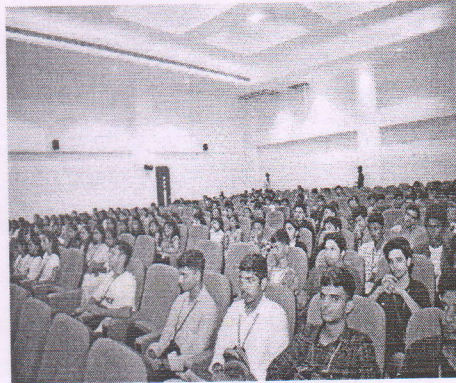

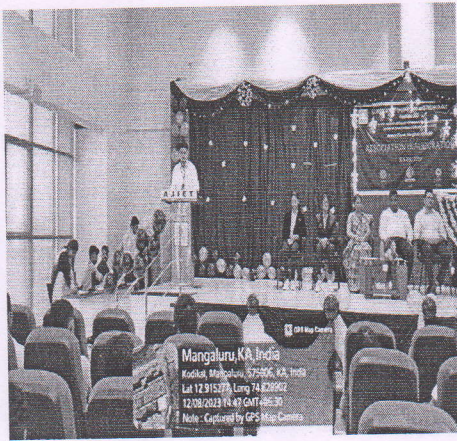

Articulation Matrix:

Course Outcomes (CO)	Program Outcomes (PO)											
	1	2	3	4	5	6	7	8	9	10	11	12
1	-	-	-	-	-	-	-	1	2	2	-	1
2	-	-	-	-	-	1	-	1	2	2	-	1
Average	-	-	-	-	-	1	-	1	2	2	-	1
