Name of the Event:	Cultural Event - Branch Inaugural Ceremony AIML/AIDS/ICB
Date:	08-12-2023
Number of Participants:	184

About the Program: The Branch Inauguration Cultural Program is a momentous occasion that celebrates the official launch of a new academic department or branch. This event is designed to bring together students, faculty, and industry professionals in a festive atmosphere, highlighting the importance of the new branch in the college's academic landscape. On December 8, 2023, AJIET marked a significant milestone with the inauguration of its Bachelor of Engineering programs. The program typically began with an inaugural ceremony, where key figures such as the college principal, department heads, and invited guests from the industry participated in a formal opening. Following the inauguration, there was cultural program, featuring a vibrant array of performances and activities. Students showcase their talents through traditional and modern dance performances, musical renditions, and skits that often combine entertainment with meaningful messages related to engineering or college life. Overall, the Association Inauguration was a celebration of knowledge, collaboration, and a promising future in technology fields at AJIET.
