<b>Number of Participants:</b>	02

**About the Program:** SAMBRAM 2024, a National Level Techno-Cultural Fest, was held at Sree Devi Institute of Technology, Mangaluru, on January 4th and 5th, 2024. The event drew students from across the country, including participants from AJIET (AJ Institute of Engineering and Technology). Among the various competitions, the Treasure Hunt event was particularly popular. Students from AJIET actively participated in the Treasure Hunt, showcasing their problem-solving skills and teamwork. The fest also featured other technical and cultural competitions like robotics, coding, quizzes, and performances in dance, music, and drama. Workshops led by industry experts provided insights into emerging technologies, and exhibitions displayed innovative projects. SAMBRAM 2024 offered a vibrant platform for students to engage in learning, competition, and creative expression. The participation of AJIET students in the Treasure Hunt and other events added to the excitement and success of the fest.
