10.	NAME OF THE EVENT	Alumni Talk - Ethics for Professional Engineers and How to Develop Teamwork Knowledge and Skillset
	DATE	29-10-2021
	ALUMNI RESOURCE PERSON	Ms. Shahala Sheikh Software Test Engineer Automation, Wipro Ltd., Middle East

## About the Event:

The Alumni talk was organized to impart knowledge and skills crucial to societal well-being. It emphasized that professional engineers are governed by ethical standards that extend beyond laws and personal morals. The session encouraged students to explore professional engineering societies and highlighted their role in advancing human welfare. Additionally, it aimed to motivate students to enhance both their competence and the prestige of the engineering profession. The event inspired students to work effectively as members of interdisciplinary teams, fostering a collaborative approach to problem-solving and innovation. Overall, it provided valuable insights into the ethical and professional expectations of the engineering field, preparing students for successful careers.
