02.	NAME OF THE EVENT	Alumni Interaction – Importance of Internship and Project in Engineering
	DATE	13-07-2024
	ALUMNI RESOURCE PERSON	Mr. Yashas Shetty 2019-2023 Batch Software Engineer, Novigo Solutions Pvt. Ltd. Mangaluru

Report: The aim of the talk on the importance of internships and projects in engineering was to raise awareness among students about their significance. Mr. Yashas Shetty began by discussing the differences between projects and internships, highlighting how they vary from academic settings to the corporate environment. He explained that while the execution of projects is quite similar across core and IT fields, the technologies used will differ. Mr. Shetty provided detailed insights into the IT industry, outlining the various procedures followed before initiating projects and how timelines are established. In conclusion, he elaborated on the different roles and responsibilities involved in achieving full-stack development.
