Alumni Meet -2024 was held on 04 May 2024 at 2:00pm to 4:30pm, in Computing Lab A 324. The meeting started with HOD welcoming the alumni's, Teaching & non-Teaching Staff members.

The Head of Department (HOD) addressed the gathering, emphasizing the holistic approach of education that our institution upholds. He highlighted that our educational philosophy is designed to foster not only academic excellence but also the overall development of students in various aspects. The HOD underscored the significance of continuous learning and technical advancements, urging students and alumni alike to focus on these areas for their personal and professional growth.

The Head of Department (HOD) provided an overview of the college and department's Vision, Mission, and Program Educational Objectives (PEOs). He highlighted the various activities and certification programs conducted during the current semester. The HOD emphasized the importance of certification courses, explaining how they contribute to the comprehensive development of students and enhance their skills and employability.

Dr.Chanchal Antony emphasized the importance of alumni interaction, explaining how ongoing engagement with alumni can offer invaluable guidance, networking opportunities, and real-world insights, ultimately contributing to the overall growth and success of current students.

The alumni expressed their gratitude and appreciation for the well-organized event. They enjoyed reconnecting with their peers and professors and were impressed by the department's progress and achievements. Many alumni highlighted the value of such gatherings in maintaining strong connections with the Department & College and suggested having more frequent meet-ups. They also appreciated the focus on certification courses and the emphasis on holistic education, recognizing how these initiatives contribute to the overall development and success of students. Some alumni proposed forming smaller regional alumni chapters to foster closer interactions and continuous engagement.
