

A J INSTITUTE OF ENGINEERING AND TECHNOLOGY

NH-66, Kottara Chowki, Mangaluru -575006, Karnataka, INDIA

A Unit of Laxmi Memorial Education Trust®

(Approved by AICTE, New Delhi. Affiliated to Visveswaraya Technological University, Belagavi)

Accredited by NBA (BE: CV, CSE, ECE, ISE, ME)

Participation in the institutional governance and in their short term and long term Institutional Perspective Plan

A J Institute of Technology & Engineering Mangaluru is one of the highly renowned engineering institutes in Coastal Karnataka. It was started with the goal of providing internationally competent quality education. The development of strategic plans, which is a continual endeavour with a special focus on accomplishing short- and long-term plans that expand the institution's current capacity to become dynamic, demand-driven, quality-conscious, and efficient, is desirable in order to achieve excellence.

Identifying fundamental principles and conducting analysis of the organization, to have short term and long term plans and present and anticipated possible scenarios were produced with participation from all stakeholders. The last version is forwarded to the Governing Council for thorough examination and debate, and recommendations are taken into account to ensure that it is implemented as intended.

Long Term Plan (LTP)

LTP1: To obtain NBA accreditation for all UG programs that qualify in the year 2025.

LTP 2: Establishing an Incubation Centre to Promote Entrepreneurship and Develop Centres of Excellence by Partnerships with Reputable International Industry and Universities

LTP 3: To attain NIRF ranking within top 150 Engineering Institutes by 2025 and within top 100 Engineering Institutes by 2026

LTP 4: To obtain autonomous status in 2026 and development towards obtaining deemed university statues in 2030.

LTP 5: To focus on innovative research, increasing reliability, and introducing new frameworks/methods in Goal-Oriented Requirements Engineering.

Short Term Plan (STP)

STP 1: The following are the STP of the organization for future prospective:

- To ultra-modernize classrooms and laboratories.
- To strengthen the teaching –learning process.
- To enable automation of the administrative and academic sections.
- To conserve natural resources and develop sustainable sources of energy and protect the green and clean environment.

A J INSTITUTE OF ENGINEERING AND TECHNOLOGY

NH-66, Kottara Chowki, Mangaluru -575006, Karnataka, INDIA

A Unit of Laxmi Memorial Education Trust®

(Approved by AICTE, New Delhi. Affiliated to Visveswaraya Technological University, Belagavi)

Accredited by NBA (BE: CV, CSE, ECE, ISE, ME)

- To attain NAAC Accreditation by the year 2024
- To Improve Placements in the Core Sector.
- To improve Industry Institute Interactions.

STP 2: Year wise details establishment of plans of various important facilities (other than Laboratories)

Sl No.	Facility	Year
1	Library automation and support for e –library	2016
2	Seminar Halls in each Floor	2016
3	Separate blocks for Civil and Mechanical Engineering branches	2017
4	Societal and Green Initiatives	2017
5	Wi-Fi enabled campus	2017
6	Sewage treatment plant commissioned	2017
7	Increase in internet bandwidth 150 Mbps to 300Mbps	2016 (150Mbps) 2023 (300Mbps) 2024 (500Mbps)
8	Establishment of research centres in Physics, Mathematics and chemistry departments	2018
9	Yoga Class (Training)	2018
10	Sports and Games facilities like Cricket Pitch, Basketball Court, Football Court etc.	2018
11	MoUs with reputed industries and Institutions executed	2018 onwards
12	Multi GYM	2019
13	Recognition of Additional Engineering Branch Research Centers by VTU	2021
14	Developing complete digital infrastructure	2023
15	Introduced New UG Programmes	2023
16	Introduced New PG Programmes (MBA and MCA)	2024
17	Establishment of Advance Computer Lab	2024
18	Construction of New Auditorium	2024
