## **6.2.1 The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc.**

The AJIET management has created effective Strategic Perspective Plans with specific goals in mind, understanding that educational systems adapt to the needs of society today and in the future. These plans are intended to transform the institution into an ideal centre of excellence. The management of AJIET is dedicated to maintaining and raising educational requirements, expanding the institution's physical premises, and growing as one of the premiere institutes. Management aims on each and every area of the institution's operations, including policies, administrative setup, appointment, service rules, and procedures, etc for the betterment of staff as well as students.
