ACTION TAKEN REPORT ON THE ADMINISTRATIVE AUDIT FOR THE ACADEMIC YEAR 2019-20 & 2020-21

Follow-Up action taken during the Assessment Period 2021-22 based on the previous year's audit (Academic Year 2019-20 & 2020-21), the following actions were taken during the assessment period:

Sl.NO:	Area of Improvement	Action Taken	Outcome
1	Sponsored Research and Consultancy are limited	A dedicated research committee was established to facilitate and manage sponsored research and consultancy projects. The committee was tasked with identifying funding opportunities, managing partnerships, and providing administrative support to faculty. New incentive programs were introduced, including a revenue-sharing model for consultancy work, reduced teaching loads for faculty involved in high-value projects, and a recognition	The research committee has successfully acted as a centralized hub for managing research and consultancy proposals, offering streamlined processes for proposal submissions, contract management, and project reporting. Faculty engagement has improved, with a increasing number of faculty members participating in consultancy projects.

		program for faculty who secure large-scale sponsored research projects.	
2	Suggested to conduct events related to competitive examinations	Industry experts, successful alumni, and professional exam trainers were invited to deliver guest lectures and mentoring sessions on how to crack competitive exams.	Guest lectures were conducted, with participation from faculty, alumni, and professionals who shared their experiences and offered insights on exam success..
3	Faculty Members may be encouraged to submit research Proposal for various funding agencies.	Conducted a series of awareness campaigns and information sessions to educate faculty about available funding opportunities, proposal writing processes, and successful application strategies.	Many information sessions related to research proposal were held to faculty members.
