Proposed for the prestigious

A. J. Institute of Engineering & Technology

NH-66, Kottara Chowki, Mangaluru-575006

Date of preparation of policy: 22 May 2024

Policy no: GV/ PL/ 05-24/ZZG-2

Environment Policy

DISCLAIMER – This policy has been prepared by team 'Greenvio Solutions' based on audit. The inferences are used as a base in formulating the policy. The implementation is dependent on Institutional capabilities. Thus, presented plan of action is a feasible document to be practiced by the stakeholders.

Policy statement

The said policy is applicable for the **academic year 2022-2023 and 2023-2024**. The study helps to denote positive and negative aspects of the site context w.r.t. ecological parameters.

Policy motive (Green cover)

- ⇒ Detailed documentation shall be undertaken for the ecological extent (plantations) as a student activity for sensitization purposes.
- ⇒ Join hand with local communities to upgrade the vegetation of local areas
- ⇒ Stakeholder sensitization of the flora and fauna within the premises

Policy implementation

- ⇒ Naming and numbering potted and natural plantations in the premises
- ⇒ Enhance the compound wall with awareness messages about environment preservation
- ⇒ Increase zoning boards all over the premises
- ⇒ Explore opportunities to increase the vertical gardening using waste plastic bottles at multiple locations in premises

Policy history

The Indian and International Green Building Standards were referred to draft this policy.
