Subject: Seeking Permission for conducting inspection of RO water plant at Kemral villages as per the university direction.

Respected Sir,

NSS unit of AJIET is planning to conduct inspection of RO water plant at Kemral village on 12/01/2022. This event aims to know about condition of RO unit plant established in various grama panchayat and quality of water .

This event is relevant to Program Outcomes: **PO6(The Engineer and Society), PO7(Environment and Sustainability) PO9(Individual and team work)& PO10(Communication)**

I kindly request your approval for the initiative. Your support will greatly motivate the students and make our efforts more effective.

Thanking you.

## PROPOSAL

**Subject:** Inspection of RO water plants at Kemral

NSS unit of AJIET is Planning to conduct inspection of RO water plant at Kemral . This event aims to know about condition of RO unit plant established in various grama panchayat and quality of water.

Mapping to Program Outcomes (PO's)

- The event is relevant to **PO6, PO7, PO10**
- **PO6: The Engineer and Society:** Apply reasoning informed by contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to professional engineering practice.
- **PO7: Environment and Sustainability:** Understand the impact of professional engineering solutions in societal and environmental contexts, and demonstrate knowledge of and need for sustainable development..
- **PO9: Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
- **PO10: Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

Target Participants: NSS members/ Volunteers
