Report on Engineers Day Celebrations

The Association of Civil Engineering Student Team "Resilience," in coordination with the Association of Consulting Civil Engineers (Mangalore Chapter), organized a Technical Talk on September 18th, 2019, in celebration of Engineer's Day at A. J Institute of Engineering and Technology, Mangalore. The event commenced at 2:00 p.m. in the first-floor seminar hall.

The distinguished guests included Er. Ekanath Dandakeri from Sigma Consultant, Mangalore, Dr. Rajesh G D'Souza, Principal of Yenepoya Institute of Technology, Moodbidiri, and representatives from the Association of Consulting Civil Engineers and Ramco Cement. Dr. Shantharama Rai, Principal of AJIET, and Mr. Vinod T D'Souza, Head of the Department of Civil Engineering, accompanied the Chief Guest on the stage.

Mr. Vinod T D'Souza welcomed the esteemed resource persons, followed by an invocation by Ms. Anja. Ms. Mahima introduced the resource persons, and the program was formally inaugurated with the lighting of the lamp and garlanding of Vishveshwaraya's photo as a mark of respect.

Dr. Shantharama Rai delivered the presidential address, emphasizing the significance of engineering in daily life and its practical applications.

Er. Ekanath Dandakeri conducted a technical session on "Earth Retaining Structures," explaining various types of retaining structures, the reasons behind structural failures, collapses, and their remedial measures.

Dr. Rajesh G D'Souza presented a session on "Advances in Concrete," engaging the audience with insights into different types of concrete, their applications, and the evolution of concrete technology.

The audience comprised all students of AJIET and faculty members.

Ms. Jahnvi, a second-year Civil Engineering student, proposed the vote of thanks, and the program concluded at 4:30 p.m. Ms. Ashika Pai, a fourth-year Civil Engineering student, served as the Master of Ceremony for the event.
