

## **Industrial Visit to Novigo Solutions Pvt. Ltd. - Department of AI&DS**

### **Industry Visit to Novigo Solutions Pvt. Ltd., Mangaluru for 4th Semester AI & DS Students on 24<sup>th</sup> and 25<sup>th</sup> March 2026**

#### Objectives of the Programme:

The two-day industry visit to Novigo Solutions, Mangaluru, was organized for 4th semester Artificial Intelligence and Data Science (AI & DS) BE students with the objective of providing early exposure to the IT industry. The programme aimed to help students understand the practical applications of concepts learned in classrooms, especially in the areas of programming, data science, and emerging technologies. It also focused on familiarizing students with industry environment, work culture, and essential technical skills required for future career development. The visit encouraged students to explore learning opportunities and develop a professional mindset at an early stage.

#### Programme Highlights:

- Students visited Novigo Solutions and were introduced to the company's work environment and organizational structure.
- Technical sessions were conducted by industry experts on topics such as basics of software development, data analytics, and emerging trends in AI.
- Students gained insights into real-time projects and development processes followed in the IT industry.
- Interactive sessions allowed students to engage with professionals and clarify their queries related to career paths and required skills.
- Demonstrations and presentations helped students understand practical applications of theoretical concepts.
- Students observed teamwork, communication, and problem-solving approaches in a professional setting.
- The visit enhanced students' awareness of industry expectations and motivated them to improve their technical and soft skills.
- The programme helped build confidence and interest among students towards future internships and career opportunities.
