Learning Alliances Resource Kit
Download instructions

1. To access the Learning Alliances Resource Kit and browse its content for the first time, open the link you received in the Welcome email from academic.alliance-support@uipath.com after the UiPath Academic Alliance Partnership Agreement was signed. It is recommended that you bookmark the link in your Web browser so you can visit it again when updated content is available.

2. Enter the email ID used to apply for the UiPath Academic Alliance or the email ID where you received the Welcome email and hit **Next**.

3. If the email ID you entered belongs to an authorized educator, then a verification code will be sent to that email. Open your email and copy the verification code. Make sure you check your Spam/Junk folder. If your email belongs to an Office365 email account, or linked to one, you need to sign into your Office365 account with your credentials.

Version 4.0 July 2020

4. Enter the verification code, **Sign-in** and proceed to Multi-Factor Authentication (if requested).

5. If requested, choose one of the Microsoft Authenticator options (Microsoft Authenticator App, another different authenticator app, or SMS, if available).

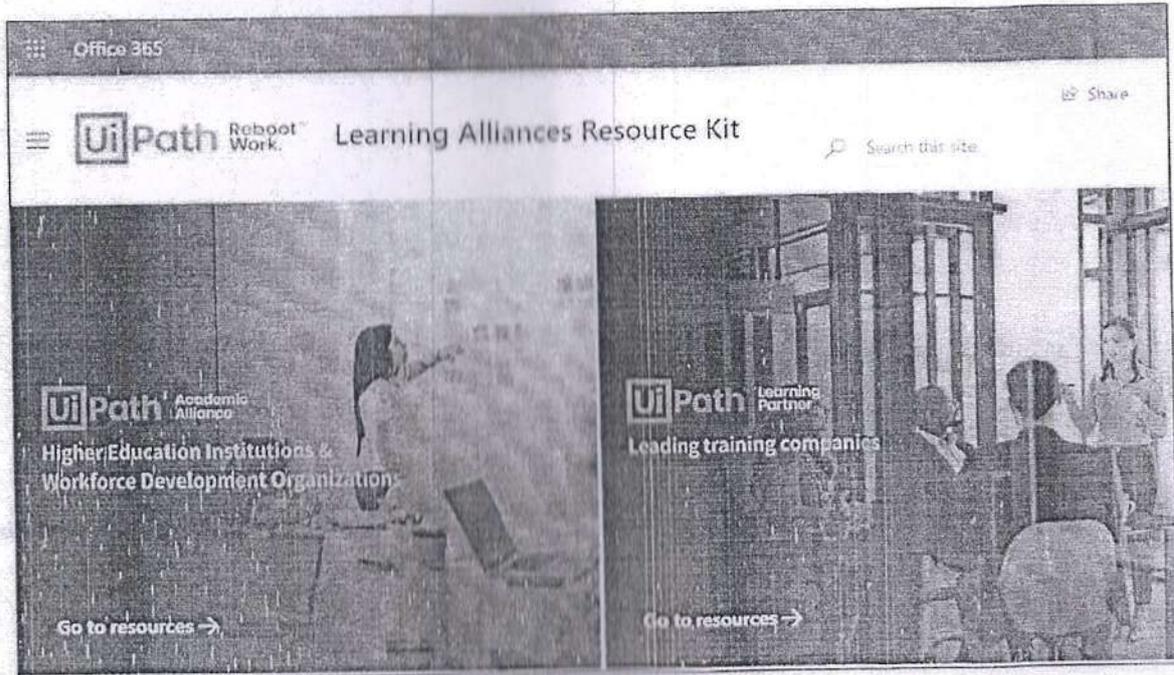

If Microsoft Authenticator was chosen, please follow the steps and either use an existing Microsoft Account or add a new one

- Install the Microsoft Authenticator app for iOS or Android, then open it.
- Tap the Add icon ⊞ / ⋮ or **Add an Account** option (depending on your email provider (Microsoft Personal, Microsoft Work, Other), then tap **Scan barcode**.
- Use your device camera to scan the barcode
- Back on your web browser in the Microsoft Authenticator window, click **OK** once the barcode has been scanned.
