

VENUE AND ACCOMMODATION

- Limited accommodation will be arranged for registered participants on a paid basis in nearby hotels/guest houses, subject to availability.
- Interested participants are requested to indicate their accommodation requirement during registration.

WHO CAN ATTEND

Academicians, researchers, industry professionals, research scholars, postgraduate and undergraduate students, entrepreneurs, and practitioners from allied disciplines are welcome to participate in the conference.

CALL FOR PAPERS

- Original research papers and review articles are invited in the areas related to the conference theme. All submissions will undergo a peer-review process.
- Accepted papers will be published in A J Journal of Engineering and Management (AJJEM)

SUBMISSION GUIDELINES

1. IC-AJIET 2026 will follow a "double-blind" review process. All submitted papers will be judged based on their quality, presentation and relevance through a "double-blind" review process, where the identities of the authors are withheld from the reviewers. Therefore, the authors are required to preserve the anonymity of submission, while at the same time allowing the reader to fully gain the context of related past work, including their own.
2. For submission guidelines, please visit: <https://www.ajiet.edu.in/icajiet.php>
3. Kindly submit the paper through the following link: <https://cmt3.research.microsoft.com/ICAJIET2026>
4. Paper submission via email is not permitted. The papers submitted via email will be rejected without review.

BEST PAPER AWARD

The Best Paper Award for each track will be conferred upon the author(s) of the most outstanding paper, selected based on originality, technical quality, relevance to the conference theme, and presentation quality.

IMPORTANT DATES

- Paper Submission Deadline: 28th February, 2026
- Notification of Acceptance: 15th March, 2026
- Camera Ready Paper Submission: 10th April, 2026
- Registration Deadline: 20th April, 2026
- Conference Dates: 8th and 9th May, 2026

AJIET-OVERVIEW

A J Institute of Engineering and Technology (AJIET) is one of the leading private engineering college located in Mangaluru, Karnataka, India Established with a vision to provide quality technical education. AJIET has built a strong reputation for academic excellence, state of art infrastructure and holistic development of students. A J Institute of Engineering and Technology (AJIET) Mangaluru, was established in 2016, under the leadership of Dr. A J Shetty, President and Managing Director of Laxmi Memorial Educational Trust. The Institution is affiliated to Visvesvaraya Technological University (VTU), Belagavi and approved by All India Council for Technical Education (AICTE), New Delhi. The institute offers 9 undergraduate and 2 postgraduate programs with an annual intake of 1050 students. AJIET is also recognized as a research Centre in Applied Sciences and Engineering branches, fostering advanced research and innovation. The institute has earned NBA accreditation for five programs and is accredited by NAAC, reflecting its commitment to quality education and academic excellence. With modern infrastructure, skilled faculty, and a strong focus on research, AJIET provides a vibrant environment for holistic student development.

ABOUT CONFERENCE

International Conference on Advances in Joint Innovation in Engineering Management and Technology (IC-AJIET 2026) is a flagship event organized by A J Institute of Engineering and Technology (AJIET), Mangaluru, scheduled on 8th and 9th May 2026. The conference aims to provide a dynamic platform for academicians, researchers, industry experts, and students to share innovative ideas, research findings, and practical applications across diverse domains of engineering, management, and technology. The conference seeks to foster interdisciplinary collaboration, encourage joint innovation between academia and industry, and promote sustainable and practical solutions to contemporary global challenges. Additionally, IC-AJIET2026 aspires to enhance research quality, strengthen professional networks, and contribute to knowledge dissemination that supports technological advancement and managerial excellence at national and international levels.

KEY FOCUS AREAS

The conference invites original research papers, case studies, and innovative applications under the following tracks (but not limited to):

1. Computer Science, Machine learning, Artificial Intelligence and Data Science.

- ❖ Emerging trends in computing
- ❖ AI applications,
- ❖ big data analytics
- ❖ Block chain and Cyber Security
- ❖ Quantum Computing
- ❖ Intelligent systems

2. Electrical, Electronics and Communication Engineering.

- ❖ Innovations in power systems
- ❖ Signal processing
- ❖ Communication networks
- ❖ Nano Electronics
- ❖ Analog and Digital Systems
- ❖ Embedded systems
- ❖ VLSI

3. Advanced Materials & Manufacturing.

- ❖ Developments in materials science
- ❖ Sustainable manufacturing
- ❖ Nano Structures and Thin Films
- ❖ Industrial automation
- ❖ Smart technologies

4. Contemporary Issues in Management.

- ❖ Modern practices in business management
- ❖ Innovation strategies
- ❖ Behavioural Finance
- ❖ Entrepreneurship
- ❖ Inter disciplinary Management Challenges
