

**EXTENSIVE SURVEY CAMP 2021-22**

A J Institute of Engineering & Technology conducted their 4<sup>th</sup> Survey Camp for B.E 3<sup>rd</sup> year students of Civil Engineering successfully from 31<sup>st</sup> March 2022 to 7<sup>th</sup> April 2022 at Durga village, Karkala taluk.

This camp was aimed to groom civil engineering students with essential knowledge and exposure to the real work, and to encourage leadership and teamwork skills. This survey camp resulted in encouraging and supporting students, emerging as leaders in several areas of academic provision.

The 7 days camp was divided into various surveying exercises- Fly levelling, compass surveying, Levelling and plane table surveying and Contouring. In the camp all the students of Civil Engineering Department learnt all the technical aspect which is required in Surveying.

Students have conducted various survey practical projects which is taught as theory in classroom. Which included old tank project, new tank project, highway alignment project, town planning project and water supply project.

Department is thankful to management for their approval and guidance in conducting this camp successfully and to the active participation of students during the camp
