## Description About the Event

The Department Activity was organized by the department of Electronics & Communication Engineering in association with Electrojets Student Association on 9<sup>th</sup> Desember,2022 from 2:00 PM onwards.

The event was conducted in presence of faculty advisor of the student Association Mrs. Deepashree A P, Prof. Prakash k Shetty and the newly elected office bearers along with students. The Activity name was “Tech Dumb-charades” It is a word Guessing game where there will be participants who will make a team among themselves and they will be given the technical names or terms and they should guess the word through miming. One person from the team should give a gesture and the remaining team members should guess the word.

The rules of the games as follows, there where total of 10 rounds. The participant will be given a name to demonstrate front of his/her teammates, if the teammates where successfull to guess the word properly within 2 minutes their team gets 1 points if they fail they were assign with 0 point, After 10 rounds the point and time from the each team are being calculated and the winner is being decided.
