Who are we?

We are AECC Global

- With the vision of helping students with the best-in-class education, we started our company in 2008 and never looked back.
- As of date, we are the fastest growing educational consultants with a presence across 12 countries with 35 offices and 1 innovation center.
- We employ the best industry experts who help students at various stages of their overseas education journey.
- We are one of the world's fastest-growing companies in the education space.
- We merge AI, data with creativity and technology to create brilliant experiences for international students and educational institutes.
- We are NOT AGENTS. We are here to help you realize your dreams
