PREAMBLE

The institute of Engineers (India) student chapter of AJIET in association with EVSA, Department of Electronics and Communication Engineering organized a webinar on 11-09-2021 about "HOW TO GET PLACED IN MULTINATIONAL COMPANIES" from 4:00PM-6:00PM.

The session began with the different ways of getting a placement and how the candidate can prepare themselves for these ways. The primary objective of this webinar was to expose students to industrial requirements and to get the dream placement. The speaker showed the practical demonstration on how the companies search for the profile on online sources. The importance of writing keywords in Resume was covered. The speaker also covered about the ATS(application tracking system) which are now being used by many leading companies to shortlist the number of candidates applying. He also showed how a simple change in the resume can increase the ATS percentage.

IT Training

The Top Qualities Employers Look For

The image shows a presentation slide with a teal background. In the top left corner, there is a small video feed window showing a man in a suit, with the text 'IT Training' below it. The main title of the slide is 'The Top Qualities Employers Look For' in white text. Below the title, there is a set of icons: a white laptop, a yellow spiral notebook, a white coffee cup with brown liquid, and a black pen. At the bottom left of the slide, there are small navigation icons.
